**Important to Consumptives.**  
 Rev. Dr. Cass, while a medical missionary to the East Indies, had placed in his hands the formula for a simple vegetable remedy for the speedy and permanent cure of consumption, catarrh, bronchitis, asthma, and all throat and lung affections; also a positive and radical cure for nervous complaints, debility, etc. After having thoroughly tested its wonderful curative powers in thousands of cases, he feels it a duty to make it known to his suffering fellows. The recipe will be sent FREE OF CHARGE to all who desire it, with full directions for preparing and successfully using. Address, with stamp, (naming this paper,) Dr. M. E. Cass, 1257 Washington St., Boston, Mass.

**From Rev. M. P. Webster, Pastor of the Methodist Episcopal Church in Weston, Mass.**  
 "Having been afflicted with dyspepsia and all its attendant sufferings for fourteen years past, and the last five or six with a chronic diarrhea, I am happy to state that I find myself greatly improved. Those disagreeable feelings usually attending dyspepsia are now almost entirely gone, and the diarrhea so far removed that I suffer no inconvenience from it, except when I take cold, or labor entirely beyond my strength, producing somewhat of an inward inflammation. To those who are afflicted with dyspepsia, or derangement of the liver and stomach, producing general prostration of strength, I would recommend the Peruvian Syrup as one of the most effectual remedies that I have ever known." Sold by John W. Scott.

**Dobbin's Electric Soap.**  
 Having obtained the agency of this celebrated soap for Geneva and vicinity I take pleasure in calling attention to the following testimonials of some of our best people as to its merits:  
 "As a time, labor and money saving article, I take pleasure in recommending Dobbin's Electric Soap to my neighbors. I have used it, and it is the best soap I ever saw. It promises a great deal, but it does all it promises."  
**Mrs. H. N. Knowlton.**  
 I have no hesitation in saying the housekeeper should not be without Dobbin's Electric Soap. I heartily recommend it to all my neighbors. Try it and you will use no other.  
**R. B. Howell.**  
 I would not undertake to do one washing without it. It certainly saves half the labor.  
**Mrs. C. C. Leach.**  
 I do not hesitate to pronounce Dobbin's Soap to be the best I ever used. The rapidity and ease with which it enables one to do one's washing is really surprising. Boiling the clothes is unnecessary and no rubbing is needed. I would not be without it.  
**LAURA STILLWAGON.**  
 I have made arrangements with the manufacturers in Philadelphia, so that I can furnish the soap in any quantity desired.

**FAIR LAWN, Nov. 14, 1890.**  
 Wm. Jones is plastering his house throughout.  
 The new school house west of Jones' is approaching completion. George Meredith has taken the contract to build it, and has engaged Messrs. Bakers to do the work. When completed it will be a fine house and very convenient for the district.  
 Rev. Carwardine will preach here next Sunday.  
 We saw four women husking corn last week with a team and wagon.  
 Grandpa Clothier has a pocket knife that he has carried for more than thirty years.  
 The prairie fire mentioned last week destroyed two corn fields, one belonging to a Mr. Smith and the other to a widow lady. The rain of Tuesday prevented it from reaching this place.  
 That turkey that gobbles so loud may rest his weary bones next week in the bottom of some lank Editor's stomach. Poor fellow, what a fate!  
 We have an abundance of things to be thankful for, foremost of which is our uncommonly healthy season. Second, all of you farmers are prosperous and happy.  
 Our regular settled successful farmers are: McGlashen, Gorrell, Mead, Collett, Wright, Fehleison, Clothier, Norton, Stewart, Jones, Gwillim, Meredith, Paske, Farr, Brown, Whitney, Thompson, Sell, Schlimmer, Normington, Wyckoff, Lacy, and Miller. The most successful new-comers are: Thompson, Clothier, Wyckoff, Lacy, Sell and Normington. All those who know the men, whose names we have mentioned, will see at once that we have a first class neighborhood, composed of solid and substantial farmers. The fact is, we have an abundance of reasons to be proud of our locality and what it is composed of, and last, but not least, we are happy to receive the REGISTER every Friday morning, and would advise all well-to-do farmers to subscribe at once and hear the news.  
 We remind "Nobody" that we did not receive all of the Geneva papers. If we had they "mought and then again they moughtn't" have went around.
